

FOLLOWING JESUS IN BOSSIER: A NOTE FROM THE PASTOR

*Rev. Donnie Wilkinson,
Senior Pastor*

Life Shared

A few weeks ago, one of our little girls came running up to me at church.

"I know the memory verse!"

"Let me hear it," I said.

And without missing a beat, she began:

"In the beginning was the Word, and the Word was with God, and the Word was God..."

She kept going, reciting the opening verses of John's Gospel that our children had been learning as part of our **Word of Life Challenge**.

When she finished, a smile broke across her face and lit up the room.

"That's wonderful!" I said, holding up my hand. "Give me a high five!"

She jumped into the air and smacked my hand.

It was one of those little church moments that stays with you.

Throughout our Life in His Name journey through the Gospel of John, we have heard Jesus return again and again to the language of life.

"I came that they may have life, and have it abundantly."

"I am the bread of life."

"I am the resurrection and the life."

John tells us that he wrote his Gospel so that, through believing, we might "have life in his name."

Watching that little girl, I was reminded that this life is never meant to stop with us.

Life is received. And then life is shared.

That is the theme of our stewardship emphasis this fall:

Life Shared

Receiving Christ's Life. Renewing Our Community.

Our children are giving us another picture of that.

Their teachers have begun teaching them some basic sign language. One of the first things they learned was how to sign the words "**Jesus loves me.**"

A finger touches one palm and then the other: Jesus.

Hands cross over the heart: love.

Thumbs point toward the chest: me.

There is something beautiful about watching children learn the gospel not only with their minds, but with their whole bodies.

The Word entering their memories.

The love of Christ entering their hands.

And that may be as good a picture of stewardship as any.

We receive the life of Christ, and that life begins to take flesh in us—in our words, our hands, our time, our relationships, our service, and in the ways we use the resources entrusted to us.

Christian stewardship is about asking a simple but searching question:

What will I do with the life God has entrusted to me?

During October, I am inviting all of us to sit with that question.

In the coming weeks, you will receive our Life Shared stewardship materials, including a devotional guide, a Guide to Giving, and an Estimate of Generosity card. Together, we will reflect on what we have received, what God is doing among us, and how we might take part in that work.

Our approach to generosity remains simple:

Grounded in gratitude.

Revealed in prayer.

Lived in faith.

We begin with gratitude because everything begins as gift.

We pray because generosity grows out of listening, not pressure.

And then we act in faith, trusting God to use what we offer in ways we may never fully see.

Our stewardship emphasis will culminate on **Sunday, November 1, All Saints Sunday**, when we will have the opportunity to offer our Estimates of Generosity for the coming year.

I love that Commitment Sunday falls on All Saints.

That day reminds us that none of us arrived here on our own.

Someone taught us the stories of Jesus.

Someone prayed for us.

Someone welcomed us.

Someone built the places where we worship.

Someone gave so that ministries could bear fruit long after they were gone.

Someone shared the life they had received.

And now it is our turn.

Maybe that is what I saw in that little girl who came running up to me.

Someone had taught her the words.

She had taken them into herself.

And then she could hardly wait to share them.

"In the beginning was the Word..."

Life received.

Life shared.

And somewhere in the middle of it all, a child jumping into the air for a high five.

That looks a lot like the kingdom of God to me.

Hello First Families!

I'm Sasha Toms, and I'm so happy your family is here! My hope is that our Children's Ministry feels like a place where your kids are known, loved, safe, and excited to learn about Jesus.

We have some really fun things coming, including a brand-new Sunday rotation beginning in October. We want our kids to do more than simply come to church - we want them to know they belong here and are an important part of our church family.

Please reach out anytime. If there's something I can know about your child that will help them feel more comfortable, included, or excited to be here, I want to hear it. We're building this ministry with our families, and I'm excited about what's ahead!

See you Sunday!
Sasha Toms

HAPPY FALL!

Fall is here, and we are settling into a great rhythm! Our student ministry continues to grow, and we are especially excited about the number of middle school students joining us each week. It has been so much fun seeing new faces, building new friendships, and watching our ministry take on a new shape as we grow. We are excited to see where God leads us in this new season!

Looking ahead, our Common Ground Retreat is coming up in November. We are looking forward to getting away for a weekend, stepping out of our normal routines, and spending some intentional time together and with God. Until then, we're keeping on-growing, learning, laughing, and making the most of every Sunday night together!

FINANCIAL SNAPSHOT

FOR MORE INFORMATION CONTACT OUR STAFF AT OFFICE@FUMCBOSSIER.ORG

Through August 31, 2026

Thank you for your continued generosity to the mission and ministry of First UMC Bossier.

Through the end of August, operating income is approximately \$7,800 ahead of budget. Expenses have exceeded income for the year and are also above the year-to-date budget shown below. However, our current budgeting system spreads most annual expenses evenly across twelve months and does not fully reflect the timing of seasonal or larger expenses such as insurance, higher summer utility costs, and ministry activities. Overall spending remains generally consistent with where we expected to be at this point in the year.

As part of our 2027 budgeting process, we are developing a more accurate month-by-month budget that will better reflect when income and expenses are actually expected to occur.

AugustYear to DateYTD Budget			
Income	\$58,015	\$474,441	\$466,667
Expenses	\$73,834	\$532,821	\$502,831
Net	(\$15,819)	(\$58,380)	(\$36,164)

As always, we are grateful for the faithful generosity that makes the ministry of First UMC possible and will continue to keep the congregation informed about our financial position throughout the year.

THE CHURCH MOUSE

FOR MORE INFORMATION CONTACT OUR STAFF AT OFFICE@FUMCBOSSIER.ORG

It's October and church mouse is still scurrying around to admire all the beautiful changes in the church. Many people have been involved in getting the work done inside and outside. First Friends have returned with some new children's faces and staff faces. Say hello and introduce yourself as they are a vital part of FUMC-Bossier.

October brings us a lot of activities and something for everyone. TRUNK OR TREAT is October 24 and there are many needs for Volunteers. Please remember to check the monthly **AT A GLANCE** sheet and **First Family Focus**.

October has plenty to show for itself. Originally October was the eighth month in a 10 months calendar and literally translated into "the eighth month" in Latin. October is one of seven months with 31 days with that last day being Halloween, followed by All Saint's Day when we remember our departed church Saints. Halloween's origins come from the Gaelic people. Original celebrants dressed in costumes/disguises going door-to-door receiving gifts of food, much like how children today dress up and receive treats. Hunter's Moon (the first full moon after the Harvest Moon) often falls in October, but depending on the year could fall November. October is also known for the Draconid Meteor Shower in the northern hemisphere between October 6th and 10th. October 2nd until early November the Orionid meteor is visible in both hemispheres. At the peak of the meteor shower, as many as 20 meteors are visible every hour. October 1, 1947 the very first McDonald's in the UK opened its doors. USA had its first McDonalds May 15, 1940 in San Bernardino, CA. Lafayette claims the first McDonalds in Louisiana one in 1972.

Enjoy October and all its activities for all ages.
Till next month,

A Forgiving God by SEU Worship

This song has been on repeat in my car and at home! It tells the story of the Prodigal Son (which I'd rather call the story of the Loving Father). It is such a powerful reminder of a Father who loves nothing more than His children returning home. The bridge says, "He's been sitting on the porch awaiting your arrival. You never left His heart. He's always thinking of you. He'll come running out to meet you and throw His arms around you. He's a forgiving God." Man, I want every person, everywhere to hear those words! I pray this song uplifts you and reminds you of the deep love and forgiveness God has for you.

CARE TEAM UPDATE

FOR MORE INFORMATION CONTACT OUR STAFF AT OFFICE@FUMCBOSSIER.ORG

The FUMC Care Team was formed in May with the sole purpose of making a quarterly phone call to members who are on the fringe of our congregation, not in regular attendance or who may not have come in years. We began with a list of our homebound and assisted living members. Currently, we are making 36 calls to 41 people, checking on their health and well-being, asking how the church can assist them, making sure they get church communications and know of programs and events. We want them to feel connected to their church, even though they cannot attend regularly. The conversations also help us learn of falls, illnesses, changes of address, and they get to tell their story - connections.

There are eight members on the team with Cheryl Nelson as leader. In the last four months, she has made 8 house calls, serving Communion in most of them. She serves a monthly "Open Table" at The Blake and The Bloom, adding Colonial Oaks soon. Tom and Sharon Holladay serve over 100 staff and residents at Magnolia Manor every First Monday. We have had several on our list to ask for Communion, and we expect more as we continue to offer it. There is a growing need for people who are willing to serve Communion in homes, both residential and retirement.

As the Care Team develops, we have a vision to expand our Care mission in several areas: i.e. facilitate a support group for care givers, offer a share group or follow-up for those grieving, send monthly cards to our college students and deployed military, and expand our eucharistic ministry. If you have questions or suggestions, or if you would like to become a part of our team in any way, please contact Cheryl at 318-422-0914. Any ideas and all volunteers are welcome!

GIVING IN **MEMORY** OR **HONOR** OF SOMEONE

FOR MORE INFORMATION CONTACT OUR STAFF AT OFFICE@FUMCBOSSIER.ORG

As we approach **All Saints Sunday**, many of us find ourselves remembering people whose lives have shaped our own. One meaningful way to give thanks for someone's life is through a memorial or honorarium gift to First United Methodist Church.

When a gift is received, the church sends a note of acknowledgment and gratitude to the donor. We also notify the person being honored, or the family of the person being remembered, that a gift has been received. The amount of the gift is not included in that notification. This practice of acknowledging both the donor and the family has long been part of First UMC's memorial giving tradition.

Gifts may be designated for a ministry or fund that was especially meaningful to the person being remembered—such as **Helping Hands, Ramp Ministry, Missions, or another ministry of the church**. Gifts without a specific designation are received into the church's **Memorial Fund** to support the continuing mission and ministry of First UMC.

To make a memorial or honorarium gift, simply provide the name of the person being remembered or honored and, if desired, the ministry or fund you would like your gift to support.

Memorial gifts are one simple way that gratitude for a life can continue bearing fruit through the life and ministry of the church.
